

# 6th Grade General Music

Year in Overview

# What will we learn?

- Elements of Music
- Recorders
- Composing
- Listening: “Jingle Journals.”
- All about the Orchestra
- Opera and Musical Theatre
- Music of the World

# Why are we learning this?

- We are becoming smarter musicians by learning about the elements of music.
- We are becoming more active and observant music listeners by trying to write about music.
- We are becoming more culturally literate when we understand music's history and composers.
- We are thinking critically when we need to read music to play an instrument or write our own music.
- We will become more understanding human beings when we understand the music language of people around the world.
- Being musicians makes us more compassionate human beings.

# What do I need?

- School Chromebook
- Pencil
- Paper Folder
- Brain
- Good Manners

# Classroom Conduct

- ❑ Be respectful to the teacher.
- ❑ Be respectful to your fellow students.
- ❑ Be respectful to the classroom.

# Class Procedures

- ❑ Come in and find your seat at the tables, and be there before the bell rings.
- ❑ Class starts at the bell.
- ❑ We may start class with a “Jingle Journal.”
- ❑ I will be giving you information that you need to remember, and we you have a lot of independent work and projects.
- ❑ There will be homework sometimes, and you are expected to complete all your work.
- ❑ You may not talk unless you raise your hand and/or I call on you.
- ❑ You may not leave until the bell rings.
