- 11:00am Parade Step off.

Students must have a lyre, flip folder and music to:

Time will not permit searching for lyres and handing out music on the morning of the ceremony and parade.

If you missed any rehearsals on 5/18 and 5/20 you will have to see Mr. Zajac to get your music, flip folder and lyre before Thursday 5/21.

*****Marching band members are reminded to eat a full breakfast and to be extra hydrated.**

From the Band Director:

We want all of our marchers to be healthy!

Please have all marching band students eat a full breakfast before we march and perform on Memorial Day in Interlaken and Ovid. It is important that students have proper nutrition and hydration for their well-being and safety. Drink plenty of water before you arrive and while you are preparing to march.

Most students in the past who experience heat related conditions did so because they did not eat well and then marched in hot conditions. The more water hours before the parade the better while a full breakfast keeps students feeling their best.

Thank You,

Mr. Zajac
