

MANAGEMENT COMMENT LETTER

Board of Education
South Seneca Central School District
Ovid, New York

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of South Seneca Central School District (the School District) as of and for the year ended June 30, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the School District's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the School District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the School District's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our current year audit, we became aware of certain other matters and opportunities for discussion. This letter does not affect our report dated September 26, 2018 on the financial statements of South Seneca Central School District.

OTHER MATTERS

Current and Prior Year Finding

School Lunch Fund Operating Deficit

Finding:

The School Lunch Fund's operations continue to operate at a deficit. The excess of expenditures over revenues, before interfund transfers, was \$(50,733) in the current year and \$(35,900) in the prior year.

Recommendation:

We recommend management continue to monitor the school lunch program relative to cost containment, improved meal participation, and revenue to improve the financial status of this fund.

The School District is in the process of assessing the future effects of each of the following:

- GASB has issued Statement No. 83, "Certain Asset Retirement Obligations," effective for the year ending June 30, 2019.
- GASB has issued Statement No. 84, "Fiduciary Activities," effective for the year ending June 30, 2020. This statement improves guidance regarding identification of fiduciary activities for accounting and reporting purposes.
- GASB has issued Statement No. 87, "Leases," effective for the year ending June 30, 2021.
- GASB has issued Statement No. 88, "Certain Disclosures Related to Debt, Including Direct Borrowings and Direct Placements," effective for the year ending June 30, 2020. This statement improves the information disclosed in the notes to government financial statements related to debt, including direct borrowings and direct placements.
- GASB has issued Statement No. 89, "Accounting for Interest Cost Incurred Before the End of a Construction Period," effective for the year ending June 30, 2021.

School District management will evaluate the impact each of these pronouncements may have on its financial statements and will implement them as applicable and when material.

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with School District personnel and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.
