

**Dear parents and students:**

**As the end of the school year approaches we begin to look ahead and prepare for the fall sports. Fall sports practices begin in the summer, before school begins. Therefore, I need to offer free sports physicals here at school before this school year ends!**

**Free fall sports physicals will be held:**

**Friday, June 17                      1:00-2:15**

**Tuesday, June 21                    1:00-2:15**

**All will be held in the high school nurses office. This is for Middle school as well as JV and Varsity sports.**

**If students are interested in playing a sport next fall, they should sign up in the nurse's office the week of May 16th. They can pick up the Athletic Health History form when they sign up, and return it to me when they come in for the physical. I will leave their pink slips for the coach in the fall so that the student, once the physical and health history form are on file with the nurse, can participate in practice.**

**ALL students must have a current physical to play a sport! If you choose to use your own doctor, please bring a copy of the physical to the school nurse. Students must have a current physical and the Athletic Health History form, turned in to the school nurse, in order to receive the pink slip to practice. JV and Varsity sports will begin in August, and Modified will begin in September. You can call the Main Office for exact dates. I will not be in the building at all during the summer. There will be no summer physicals, so please take advantage of the June physicals or use your own physician.**

**If you have questions, please contact me at 869-9636 ext. 4102 during the school day, or by email at [parcangeli@southseneca.k12.ny.us](mailto:parcangeli@southseneca.k12.ny.us)**

**Sincerely,**

**Patty Arcangeli, RN  
School Nurse**
